

READING  
Gives You  
SUPERPOWERS

We're having a  
**Kindergarten Superhero Parade!**

*Kids of all ages can be reading superheroes!*  
Our homework this week is to create our very own  
**alphabet superhero capes**  
to wear on Friday, October 30<sup>th</sup>!

Your student will be Alphabet Superhero Letters \_\_\_\_\_

Students have been asked to create their own superhero cape by decorating it with things that begin with their assigned letter sound. This can be done with crayons, markers and pencils. **OR**, it can be a collage piece, using stickers, magazines, clipart, glue, and any variety of materials.

For example, the "Letter A" superhero may choose to decorate with **A**pplejacks cereal, pictures of **a**nimals, **a**stronauts rocketing to the moon, **a**pple seeds, pictures of famous **a**ctors, **a**nts marching in a row, etc., etc. *It should be fun, creative, colorful, special and **unique!***

Butcher paper will be sent home with all students to use as a cape. Inspirational photos will be posted on the classroom website. You are welcome to use something other than the butcher paper, if you desire! We can't wait to see what you create together!
